

Empowering Our Future

Annual Report, 2020

2020

EMPOWERING OUR FUTURE

2020 was a challenging year. A global pandemic, economic uncertainty and limited resources forced us to get creative and stay focused on achieving our mission.

Despite all the headwinds, Cuatro Por Venezuela made a significant impact in the lives of countless Venezuelans. In this annual report, we highlight achievements from last year and outline objectives for the year ahead.

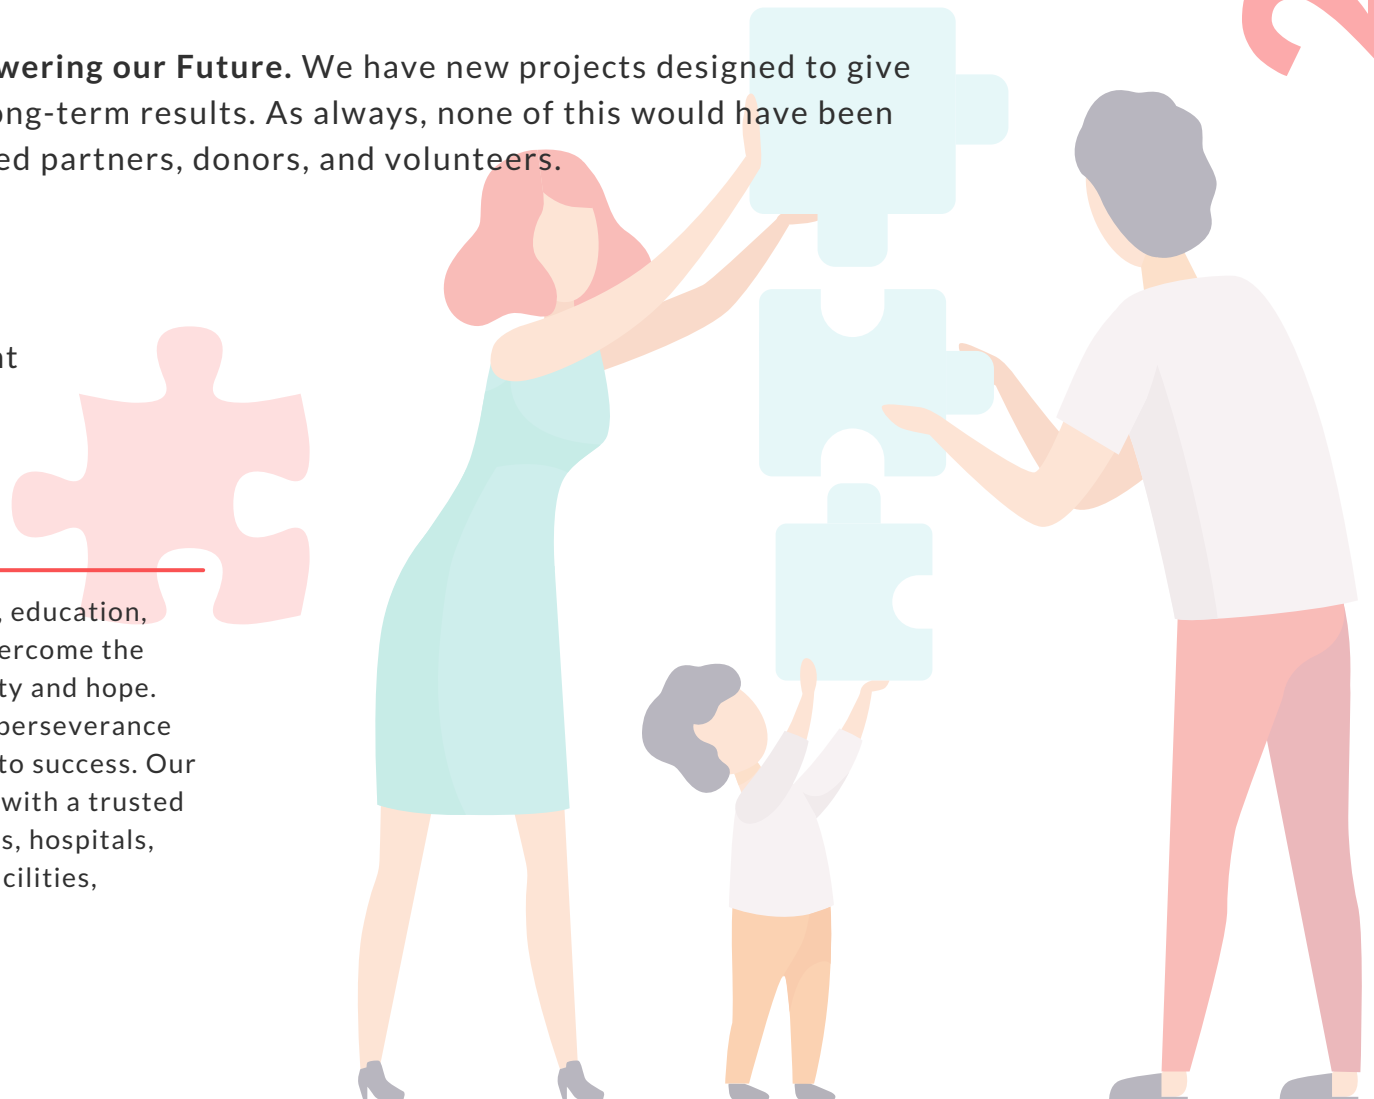

Our strategic theme is **Empowering our Future**. We have new projects designed to give holistic support and create long-term results. As always, none of this would have been possible without our dedicated partners, donors, and volunteers.

With gratitude,
Gloria Mattiuzzi
Founder & President
