**SUPPORTING
VENEZUELANS IN NEED**

A LETTER FROM OUR FOUNDERS

One year ago, we founded **Cuatro Por Venezuela** because we felt we had to do more than stand *"con los brazos cruzados"* with our arms crossed – we had to do something.

Cuatro Por Venezuela ships medicines, medical supplies, and food to Venezuelans in need. This volunteer-run organization hand delivers every package to our trusted network of hospitals, rural medical centers, senior facilities, orphanages, and schools. **18,000 pounds of life-saving supplies have been shipped to Venezuela thanks to the efforts and donations of people like you.**

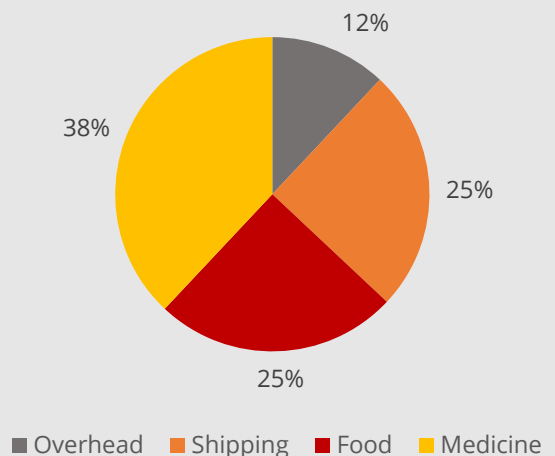

We are proud of what we have accomplished and inspired to continue working to meet the challenges that face us in the year ahead. From the bottom of our hearts, thank you.

This year, Cuatro Por Venezuela served more than 17,000 patients. We focused on Scabies, Chronic Renal Failure in Hemodialysis, Hypertension, Epilepsy, Prenatal Care, Adolescent Pregnancies, Infectious Diseases, Malnutrition, Malaria, and Burn Victims.

Other includes nephrology (116 patients), psychiatry (98 patients), burn victims (85 patients).

Food Programs

Our food programs launched officially in May 2017. We focus on fighting against hunger and malnutrition, particularly for children and the elderly.

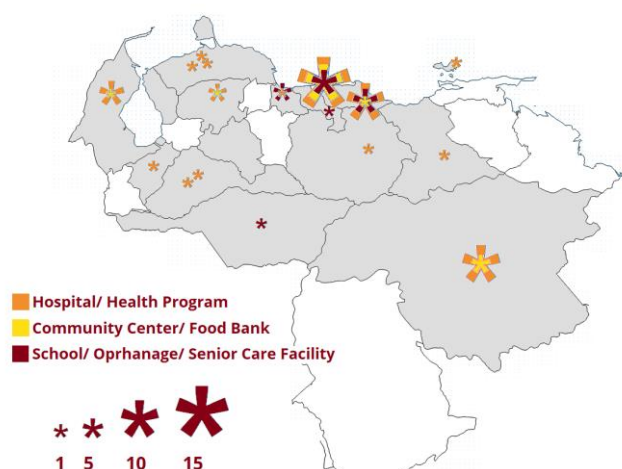

Since May, we have sent enough food for 20,000 meals. We have provided staple food supplies to orphanages, nursing homes and to organizations that cook for the homeless. We have partnered with rural schools to ensure at least one meal a day for every child during school days and on weekends in those communities. **For \$100, we can provide lunch for one child for an entire school year.** Lastly, we provide formula to hospitalized children in hospitals nationwide.
